

# CND™ STRENGTHENER Rxx NAIL STRENGTHENER

## WHAT IT IS

A nourishing and strengthening nail coating that adds protection while thickening and smoothing the nail surface.

## WHAT IT DOES

Cares for natural nails with ingredients that condition and coat.

## WHY YOU NEED IT

- Formulated to resist chipping and cracking of the natural nail.
- Fortifies and strengthens compromised nails, providing layers of protection.
- Fast absorbing and dries quickly.
- Features repairing and ridge smoothing properties.
- Vegan formulation.
- Doesn't yellow the nail.
- Formulated with new technology that does not use formaldehyde.
- Breathable formula: water and oxygen permeable.
- Helps resist splitting and peeling so nails feel stronger and moisturized.\*

\*Reported by participants in a 34-personal panel after 14 days

## FEATURED INGREDIENTS & BENEFITS

### Celery Seed Extract

- Helps strengthen the natural nail from augmenting thickness to smoothing the nail surface over time.

### Tsubaki Oil (Camellia Flower Seed Oil)

- Contains essential fatty acids such as Omega-6, Omega-9, Vitamins A, B, and E to help condition nails.

## DIRECTIONS FOR USE

- Shake to blend for 30 seconds.
- Apply two thin layers to clean, bare nails.
- Follow with one thin layer daily for 4 days.
- After the 4th day, remove and repeat original application.
- For best results, use for 14 days.

## AVAILABLE SIZES

- Retail/Professional: 15 mL (0.5 fl oz)
