

NAIL RESCUE TREATMENT

Restore nails back to beautiful with a weekly natural nail service that repairs damaged nails with the power of keratin protein and conditioning jojoba oil.

Ideal for nails with:
Splitting, peeling, and white spots

RESCUERXX™ Nail Rescue Treatment:

1. Provide a meticulous manicure:
 - remove cuticle
 - refine nails
 - rejuvenate skin
2. Apply a thin layer of **RESCUERXX™** to each nail
3. Send bottle home with client for 2X daily use for 1-4 weeks*
4. Schedule a follow up appointment to reassess nails and continue treatment or move on to color service

*1-4 week treatment depending on condition of nails. Once nails are free of delamination and surface white spots, color services can be offered.
